Projects

I. CRUD Web Application:

- ➤ **GitHub:** CRUD---Operation⬀
- ➤ **Live Demo:** crud-operation-osama⬀

A web application developed to strengthen core front-end fundamentals and demonstrate practical implementation of CRUD operations using vanilla JavaScript.

- **Responsibilities & Achievements:**
  - o Implemented full CRUD functionality (Create, Read, Update, Delete).
  - o Built dynamic UI updates using pure JavaScript without frameworks.
  - o Applied clean HTML structure and responsive CSS layout.

- **Technologies:**
  - o HTML
  - o CSS
  - o JavaScript

II.　Portfolio Website:

> **GitHub:** portfolio-OSAMA DRAIDI ⬀

> **Live Demo:** portfolio-osama-draidi⬀

A modern personal portfolio website designed to present projects, skills, and experience with a professional UI/UX.

- **Responsibilities & Achievements:**
  - Developed reusable React components for scalability.
  - Used Material UI for consistent and modern design.
  - Focused on responsive layout and clean code structure.

- **Technologies:**
  - React.js
  - JavaScript
  - Material UI (MUI)

III.　Graduation Project – LUQMA Restaurant Management System:

> **GitHub:** Graduation-Project - LUQMA⬀

A comprehensive restaurant management web application developed as a graduation project under academic supervision, focusing on real-world user experience and modern front-end architecture

- **Responsibilities & Achievements:**
  - Designed and developed a complete customer-facing web application.
  - Built interactive menus, ordering flows, and UI components using React
  - Applied modern UI/UX principles with smooth animations and clean layouts
  - Structured the project in a scalable and maintainable way following industry best practices.
  - Collaborated under academic supervision to analyze requirements and deliver a production-ready solution.

- **Technologies:**
  - React.js
  - JavaScript
  - Material UI (MUI

Technical Skills

Programming Languages:

- *Java*
- *Java script*
- *C++*

Web Technologies:

- *HTML*
- *CSS*
- *JavaScript (ES6+).*

Frameworks & Libraries:

- *React.js..*
- *Material UI (MUI).*

Databases:

- *SQL.*

Computer Science Fundamentals:

- *Object-Oriented Programming (OOP).*
- *Data Structures.*

Soft Skills:

- *Excellent Communication Skills.*
- *Self-Study & Continuous Learning.*

Certificates

- Web Devlopment
- Using AI Personal Assistant Training

Languages

- Arabic – Native language.
- English – Very good
